

REMARKS

Supplemental to the response filed on September 21, 2004, the applicants hereby elect Group I (including claims 1-4) for prosecution. Additionally, for the reasons set forth in the response filed September 21, 2004, the applicants respectfully submit that it would not present a serious burden for the examiner to examine Groups II and III (claims 5-12) together with the claims of Group I. An early favorable action on the merits is now earnestly solicited.

Respectfully submitted,
